

Willow Terrace Sidewalk Improvements

Location

Willow Terrace near the Bayview Community Center.

Project Benefits

This project advances Norfolk's Complete Streets Initiative and Vision Zero resolution by promoting safe access for all pedestrians of all ages and abilities in the community. The newly completed sidewalk will improve safety for pedestrians to access the Bayview Community Center and Bayview Elementary School.

Scope of Work

- Install a new 5' concrete sidewalk on the western side of Willow Terrace to extend from the existing sidewalk to the Bayview Community Center.
- Install new ADA curb ramps and marked crosswalk at the Bayview Community Center parking lot entrance.

Project Status

Under construction ([Design plan](#))

Project Schedule

- Anticipated construction completion: Winter 2023

Project Funding

Capital Improvement Program (CIP) - \$41,859

Construction Impacts

- Minimal impact to traffic

Civic Engagement

- Ward 5 (Councilman Smigiel)
- Superward 6 (Councilwoman McClellan)
